Shared facilities information effective as of: April 1, 2007

1. Tulsa headquarters:
100 West Fifth Street, Tulsa, Oklahoma

Transmission function employees and shared employees including shared senior officers are located in this office building. The Marketing Affiliate employees who are located in the shared office building are located on a different floor from the Transmission employees. The Transmission function employees perform their daily activities in an area secured by code card access. Marketing Affiliate employees are not permitted access to secured areas.

ONEOK, Inc and its subsidiaries and ONEOK Partners, L.P., and its subsidiaries share email, calendars, financial, accounting, and human resources applications. However, the appropriate measures have been taken to prevent personnel of the Marketing Affiliates from accessing any Company transmission information using these applications.

2. Undisclosed location:
Location is undisclosed for purposes of security.
Company and its Marketing Affiliate share a remote location for its servers; the servers are segregated from the Marketing Affiliate.
